5252.216-9204 LEVEL OF EFFORT--FEE ADJUSTMENT FORMULA (MAR 1994)

(a) Subject to the provisions of the "Limitation of Cost" or "Limitation of Funds" clause (whichever is applicable to this contract), it is hereby understood and agreed that the fixed fee is based upon the Contractor providing the following number of staff-hours of direct labor, hereinafter referred to as X, at the estimated cost and during the term of this contract specified elsewhere herein:

	Total Staff-Hours (X)* Fixed Fee**	Total Prime Staff-Hours	Total Subcontractor Hours
Base Period	<u>0</u>	<u>0</u>	<u>0</u>
Option 1	██████████	██████████	██████████
Option 2	██████████	██████████	██████████

*(inclusive of Prime and any proposed Subcontractor(s))

CONTRACT NO. N00178-05-D-4596	DELIVERY ORDER NO. V709	AMENDMENT/MODIFICATION NO. 37	PAGE 12 of 53	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

**Contractor is to identify basis for fixed fee amount: ___ Prime Hours Only x Total Staff-Hours

The Contractor agrees to provide the total level of effort specified above in performance of work described in Sections “B” and “C” of this contract.

(b) Of the total staff-hours of direct labor set forth above, it is estimated that ___ staff-hours are competitive time (uncompensated overtime). Competitive time (uncompensated overtime) is defined as hours provided by personnel in excess of 40 hours per week without additional compensation for such excess work. All other effort is defined as compensated effort. If no amount is indicated in the first sentence of this paragraph, competitive time (uncompensated overtime) effort performed by the contractor shall not be counted in fulfillment of the level of effort obligations under this contract.

(c) Effort performed in fulfilling the total level of effort obligations specified above shall only include effort performed in direct support of this contract and shall not include time and effort expended on such things as local travel from an employee’s residence to their usual work location, uncompensated effort while on travel status, truncated lunch periods, or other time and effort which does not have a specific and direct contribution to the tasks described in Section B.

(d) It is understood and agreed that various conditions may exist prior to or upon expiration of the term of the contract, with regard to the expenditure of labor staff-hours and/or costs thereunder which may require adjustment to the aggregate fixed fee. The following actions shall be dictated by the existence of said conditions:

(1) If the Contractor has provided not more than 105% of X or not less than 95% of X, within the estimated cost, and at the term of the contract, then the fee shall remain as set forth in Section B.

(2) If the Contractor has provided X-staff-hours, within the term, and has not exceeded the estimated cost then the Contracting Officer may require the Contractor to continue performance until the expiration of the term, or until the expenditure of the estimated cost of the contract except that, in the case of any items or tasks funded with O&MN funds, performance shall not extend beyond 30 September. In no event shall the Contractor be required to provide more than 105% of X within the term and estimated cost of this contract. The fee shall remain as set forth in Section B.

(3) If the Contractor expends the estimated cost of the contract, during the term of the contract and has provided less than X staff-hours, the Government may require the Contractor to continue performance, by providing cost growth funding, without adjusting the fixed fee, until such time as the Contractor has provided X staff-hours.

(4) If the Contracting Officer does not elect to exercise the Government’s rights as set forth in paragraph (d)(2) and (d)(3) above, and the Contractor has not expended more than 95% of X staff-hours, the fixed fee shall be equitably adjusted downward to reflect the diminution of work. The total fee due the contractor shall be adjusted so as to be in direct proportion to the number of direct hours utilized in the same ration of fee to the estimated total hours then set forth in the contract.

(5) Nothing herein contained shall, in any way, abrogate the Contractor’s responsibilities, and/or the Government’s rights within the terms of the contract provision entitled “Limitation of Cost” or “Limitation of Funds” as they shall apply throughout the term of the contract, based upon the total amount of funding allotted to the contract during its specified term.

(e) Within 45 days after completion of the work under each separately identified period of performance hereunder, the Contractor shall submit the following information in writing to the Contracting Officer with copies to the cognizant Contract Administration Office and DCAA office to which vouchers are submitted:

(1) The total number of staff-hours of direct labor expended during the applicable period.

(2) A breakdown of this total showing the number of staff-hours expended in each direct labor classification and associated direct and indirect costs.

(3) A breakdown of other costs incurred.

(4) The Contractor’s estimate of the total allowable cost incurred under the contract for the period.

----------------------------------	----------------------------	----------------------------------	------------------	-------

In the case of a cost under-run, the Contractor shall submit the following information in addition to that required above:

(5) The amount by which the estimated cost of this contract may be reduced to recover excess funds and the total amount of staff-hours not expended, if any.

(6) A calculation of the appropriate fee reduction in accordance with this clause.

All submissions required by this paragraph shall separately identify subcontractor information, if any.

ADDITIONAL SLINS

Additional SLINs will be unilaterally created by the Contracting Officer during performance of this Task Order to accommodate the multiple types of funds that will be used under this order.

LIMITATION OF LIABILITY – INCREMENTAL FUNDING

This delivery order is incrementally funded and the amount currently available for payment hereunder is limited to **\$2,659,282.30**. It is estimated that these funds will cover the cost of performance through 25 AUGUST 2012. Subject to the provisions of the clause entitled "Limitation of Funds" (APR 94) (FAR 52.232-22) of the general provisions of this contract, no legal liability on the part of the Government for payment in excess of **\$2,659,282.30** shall arise unless additional funds are made available and are incorporated as a modification to the delivery order.

Contractor shall request for visit authorization in accordance with DOD 5220.22M (Industrial Security Manual for Safeguarding Classified Information) no later than one week prior to visit. Requests shall be forwarded via SPAWAR Systems Center Atlantic, SC 29419-9002, and Attn: Security Office for certification of need to know specified by the TOM.

This task requires a facility clearance (FCL) to the level of top secret due to the nature of information as provided as Government Furnished Information (GFI). No authorization shall be granted under this contract to remove, retain, or store classified information in the course of duties for under this task order.

Prior to performance on a task order, personnel directly involved shall have security clearances at the level of the highest classification of the data involved. All deliverables associated with this PWS are "unclassified" unless otherwise specified.

5 TASK ORDER MANAGER (TOM)

The Task Order Manager (TOM) for this task order is Ava Brown, Code 55590, phone number 757-558-5253 and e-mail ava.brown@navy.mil. An alternative point of contact (POC) is Julie Bryant, Code 55580, who can be reached by phone at 202-685-4155 or by e-mail at julie.j.bryant@navy.mil.

6. DESCRIPTION OF WORK

In support of the Program Executive Office - Command, Control, Communications, Computers, and, Intelligence (PEO C4I), Navy Shore Integration Program Office (PMW 790) the Department of the Navy, Space and Naval Warfare (SPAWAR) Systems Center Atlantic (SSC Atlantic) is acquiring support for developing and executing technical and program strategies aligned within the objectives of the Navy Communications and Shore Modernization effort.

The scope of this delivery order is to provide on-going programmatic support and technical services to SSC Atlantic in support of PEO C4I Navy Communications and Shore Modernization efforts. Key events requiring contractor support include providing programmatic and technical support for the Navy Tactical Switching program and other shore modernization initiatives. This includes developing and updating technical program documentation that will be used to develop a cohesive, integrated Navy Communications and Shore Modernization strategy. Within this framework are requirements for technical services and analysis capabilities including trade studies; as well as comprehensive program and integration analysis for overarching shore integration strategies. Execution of this task requires a thorough understanding of the Joint Capabilities Integration and Development System (JCIDS) and the Planning, Programming, Budgeting, and Execution (PPBE) system. Close coordination with the Chief of Naval Operations (OPNAV NF1) is required to ensure support and resource alignment with the tactical shore modernization strategy.

6.1 Program Management and Technical Support

Shore Modernization Roadmap and Program Synchronization. SSC Atlantic is responsible for all technical and support activities necessary to assist PEO C4I with the definition, development, and development of Tactical Switching and Shore Modernization initiatives consistent with the standards and policies set forth by the PEO and OPNAV N6F. Within this framework are requirements to implement technical capabilities that will ensure the interoperability of the naval shore communications architecture with deployed Naval and Joint Forces. Such actions include synchronization of key Navy and Joint programs ensuring alignment, integration and achievement of FORCENet objectives and capabilities. The contractor shall provide technical support for the design and synchronization planning of current operational and future satellite and network programs within the Navy shore communications architecture. This includes, but is not limited to, programs and capabilities such as Consolidated Afloat Networking Enterprise Services (CANES), Next generation Enterprise networks (NGEN), Maritime Headquarters with maritime Operations Center (MHQMOC), Commercial Broadband Satellite Program (CBSP), Multination Information Sharing (MNIS), Naval Expeditionary Combat Command (NECC), DISA-led Net-Enabled Command Capability (NECC), Global Information Grid Assured Information Sharing (GIG AIS), Net-Centric Enterprise Services (NCES), and Marine Corps Enterprise IT Services (MCEITS). Understanding these initiatives and programs, the contractor shall develop and provide input for PMW790 to the PEO C4I master plan and overarching strategies and roadmap. This will include the review of candidate systems architectures, program

implementation plans, testing plans and results, and site integration requirements as they relate to each phase of the tactical Switching program and shore modernization efforts. Further, this will require providing subject matter expertise and close coordination with OPNAV N6F1 to develop and maintain support and resources for these initiatives. The contractor shall participate in authorized briefings, seminars, and planning meetings. The contractor will prepare technical inputs for presentation material (A003), drawings (A004) and technical information. The contractor shall provide the technical status (A001), trip reports (A002) and financial status reports of tasking (A006).

6.2 Technical Analysis and Liaison Support

The contractor will support shore modernization liaison efforts to PEO C4I, Chief of Naval Operations (OPNAV N6FI), and other commands/agencies as directed for the synchronization, approval, and execution of these initiatives. Detailed reports of all meetings/liaison activities shall be produced. Additionally, the contractor shall review designated tactical Switching and Shore Modernization Initiatives documents such as PPBE exhibits, presentations and staffing documentation as required. The contractor shall provide program analysis and coordinate with Integration Product teams (IPT) leads of various related programs to ensure adequate coordination/knowledge management for the purpose of architecture synchronization and collaboration. This will include the technical review of candidate system architectures, program implementation plans, test plans and results, site integration requirements, and integrated logistics support plans and policies, as they relate to tactical Switching and shore modernization efforts. The contractor shall participate in authorized briefings, seminars, and planned meetings.

6.3 Joint capabilities and Development System (JCIDS) Support

The contractor shall provide subject matter expertise for the development of JCIDS compliant analysis and documentation. This will include support and providing input to existing program documentation as well as performing capability-based assessment and costing approaches for the evaluation of new shore modernization initiatives and how they relate to overarching PEO C4I objectives. The contractor shall assist in the development, review, portfolio analysis, and coordination of Navy and Joint programs across the Joint Net-Centric Operations (JNO) Portfolio as it relates to the PEO C4I and shore modernization initiatives. The contractor shall assist in the preparation and development of technical inputs for presentation materials (A003), technical information (A005), and Tactical Switching or other shore modernization documentation such as capability documentation (e.g., Initial Capability Documents, Capability Development, and Production Documents, etc.) The contractor shall provide subject matter expertise to the development and staffing of required capability documentation through the Navy and Joint capability processes within the National Capital Region. This will include technical support for the development of required staffing packages and senior leader presentations. This will require providing subject matter expertise during presentations and staffing materials with senior and executive leadership at PMW790 and OPNAV N6. As required, the contractor shall support Navy and Joint capability boards such as the navy Requirements and Resources Review Board (R3B) as well as the Net-Centric Functional Capabilities Board (FCB), Joint Capabilities Board (JCB), and the Joint Requirements Oversight Council (JROC).

6.4 Shore Modernization Next Generation Analyses

The contractor shall provide Navy communications and networking architecture, programs, technical and operational expertise to support data collection, technical inputs, and coordination of Navy shore communications next generation analyses and studies. This will include trade and analysis of alternatives (AoA) studies.

6.5 DOD Architecture Framework Product (DODAF) Development

The contractor shall provide technical support to SSC Atlantic for the development and/or update of Tactical Switching and shore modernization architecture products required to support the Network Ready Key Performance Parameter (NR KPP) for various components of the Navy shore communications architecture. Products will be developed in accordance with CJCSI 3170.01 series instructions and manuals and documented in an approved DODAF software database product.

6.6 Capabilities/Integrated Product Team Support

The contractor shall support various SSC, PEO C4I, NNWC, OPNAV and Joint program working groups consisting of Service, Agency, and Combatant Command (COCOM) representation and other organizations/allies as

directed. The contractor shall utilize these forums to explore, vet, and document capabilities and requirements. Outputs through this forum will be documentation in the Tactical Switching and other shore modernization capability documentation.

6.7 Financial Management

The contractor shall provide financial analysis support by attending internal program reviews, A-11 budget review meetings, Tri-annual review, fiscal year carryover status meetings, and PEO program reviews. The contractor shall have in-depth knowledge and access to the following applications: BSA, PMACS, MERLIN, SPIDER, and iRAPS. The contractor shall assist SSC Atlantic PE's in developing and processing ITPS sheets, spend plans, and financial data call reports (CDRL A006) to include benchmarks, and achievement to date reports.

7. GOVERNMENT FURNISHED INFORMATION NOT APPLICABLE

8. GOVERNMENT FURNISHED MATERIAL

Government Furnish Material (GFM) shall be provided as required periodically by task requirements. Government will provide access to information and facilities as required to complete this task. Should such information be unavailable and is deemed as necessary AGFAM by the Project Engineer (PE) and the contractor, the contractor shall take appropriate actions to research and/or create the required information. All GFM shall be returned to the PE at the completion of this task order, or sooner if no longer applicable. GFM will be assured proper safeguarding by the contractor as specified by the PE and any affixed classifications.

9. GOVERNMENT FURNISHED EQUIPMENT NOT APPLICABLE

10. CONTRACTOR FURNISHED EQUIPMENT NOT APPLICABLE

11. CONTRACTOR FURNISHED MATERIAL

The contractor is responsible for acquiring and delivering all material required to complete all tasks described in this PWS. The contractor is responsible for the proper disposal of all removed materials.

12. TRAVEL REQUIREMENTS

All travel will be conducted in accordance with the Joint Travel regulation (JTR) on a cost reimbursement basis. Travel costs will be non-fee bearing, with only applicable indirect costs being allowed, i.e. - G&A and/or M&S. All travel must be approved two (2) weeks PRIOR to the travel occurring or as directed by the Government.

16. ACCEPTANCE PLAN

Task progress will be monitored by the TOM. Acceptance of all work and deliverables on this task will be accomplished by the TOM, upon the completion of the tasking.

17. OTHER CONSIDERATIONS/REQUIREMENTS

The contractor shall be prepared to provide additional personnel of equivalent capabilities and experience in support of temporary fluctuations or expanding needs of supported U.S. Naval Commands during military exercises or other deployment related events.

18. ATTACHMENTS

NOT APPLICABLE

C-313 SECURITY REQUIREMENTS (DEC 1999)

The work to be performed under this contract as delineated in the DD Form 254, Attachment No. 2 involves access to and handling of classified material up to and including TOP SECRET.

In addition to the requirements of the FAR 52.204-2 "Security Requirements" clause, the Contractor shall appoint a Security Officer, who shall (1) be responsible for all security aspects of the work performed under this contract, (2) assure compliance with the National Industry Security Program Operating Manual (DODINST 5220.22M), and (3) assure compliance with any written instructions from the Security Officer Code OA1, SPAWAR Systems Center Atlantic (Charleston), P.O. Box 190022, North Charleston, SC 29419-9022.

C-315 WORKWEEK (DEC 1999)

(a) All or a portion of the effort under this contract will be performed on a Government installation. The normal workweek for Government employees at SPAWAR Systems Center Atlantic (Charleston) and its Detachments is Monday through Friday 0730 to 1600. Work at this Government installation, shall be performed by the contractor within the normal workweek unless differing hours are specified on the individual task orders. Following is a list of holidays observed by the Government:

Name of Holiday Time of Observance
 New Year's Day 1 January
 Martin Luther King Jr. Day Third Monday in January
 President's Day Third Monday in February
 Memorial Day Last Monday in May
 Independence Day 4 July
 Labor Day First Monday in September
 Columbus Day Second Monday in October
 Veteran's Day 11 November
 Thanksgiving Day Fourth Thursday in November
 Christmas Day 25 December

(b) If any of the above holidays occur on a Saturday or a Sunday, then such holiday shall be observed by the Contractor in accordance with the practice as observed by the assigned Government employees at the using activity.

----------------------------------	----------------------------	----------------------------------	------------------	-------

(c) If the Contractor is prevented from performance as the result of an Executive Order or an administrative leave determination applying to the using activity, such time may be charged to the contract as direct cost provided such charges are consistent with the Contractor's accounting practices.

(d) This contract does not allow for payment of overtime during the normal workweek for employees who are not exempted from the Fair Labor Standards Act unless expressly authorized by the Ordering Officer. Under Federal regulations the payment of overtime is required only when an employee works more than 40 hours in a normal week period.

C-317 NOTICE TO CONTRACTOR OF CERTAIN DRUG DETECTION PROCEDURES (DEC 1999)

(a) Pursuant to Navy policy applicable to both Government and contractor personnel, measures will be taken to prevent the introduction and utilization of illegal drugs and related paraphernalia into Government Work areas.

(b) In furtherance of the Navy's drug control program, unannounced periodic inspections of the following nature may be conducted by installation security authorities:

(1) Routine inspection of contractor occupied work spaces.

(2) Random inspections of vehicles on entry or exit, with drug detection dog teams as available, to eliminate them as a safe haven for storage of or trafficking in illegal drugs.

(3) Random inspections of personnel possessions on entry or exit from the installation.

(c) When there is probable cause to believe that a contractor employee on board a naval installation has been engaged in use, possession or trafficking of drugs, the installation authorities may detain said employee until the employee can be removed from the installation, or can be released to the local authorities having jurisdiction.

(d) Trafficking in illegal drug and drug paraphernalia by contract employees while on a military vessel/installation may lead to possible withdrawal or downgrading of security clearance, and/or referral for prosecution by appropriate law enforcement authorities.

(e) The contractor is responsible for the conduct of employees performing work under this contract and is, therefore, responsible to assure that employees are notified of these provisions prior to assignment.

(f) The removal of contractor personnel from a Government vessel or installation as a result of the drug offenses shall not be cause for excusable delay, nor shall such action be deemed a basis for an equitable adjustment to price, delivery or other provisions of this contract.

C-325 KEY PERSONNEL

(a) The offeror agrees to assign to this contract those key personnel listed in paragraph (d) below. No substitutions shall be made except in accordance with this clause.

(b) The offeror agrees that during the first sixty (60) days of the contract performance period no personnel substitutions will be permitted unless such substitutions are necessitated by an individual's sudden illness, death or termination of employment. In any of these events, the contractor shall promptly notify the Contracting Officer and provide the information required by paragraph (c) below. After the initial sixty (60) day period, all proposed substitutions must be submitted in writing, at least fifteen (15) days (thirty (30) days if a security clearance is to be obtained) in advance of the proposed substitutions to the contracting officer. These substitution requests shall provide the information required by paragraph (c) below.

(c) All requests for approval of substitutions under this contract must be in writing and provide a detailed explanation of the circumstances necessitating the proposed substitutions. They must contain a complete resume for the proposed substitute or addition, and any other information requested by the Contracting Officer or needed by him to approve or disapprove the proposed substitutions. All substitutions proposed during the duration of this

(e) If the Contracting Officer determines that suitable and timely replacement of key personnel who have been reassigned, terminated or have otherwise become unavailable for the contract work is not reasonably forthcoming or that the resultant reduction of productive effort would be so substantial as to impair the successful completion of the contract or the service order, the contract may be terminated by the Contracting Officer for default or for the convenience of the Government, as appropriate. In addition, if the Contractor is found at fault for the condition, the Contracting Officer may elect to equitably decrease the contract price or fixed fee to compensate the Government for any resultant delay, loss or damage.

(f) If the offeror wishes to add personnel to be used in a labor category he shall employ the procedures outlined in paragraph (c) above. Adding personnel will only be permitted in the event of an indefinite quantity contract, where the Government has issued a delivery order for labor hours that would exceed a normal forty hour week if performed only by the number of employees originally proposed.

(End of clause)

5252.237-9401 PERSONNEL QUALIFICATIONS (MINIMUM) (JAN 1992)

(a) Personnel assigned to or utilized by the Contractor in the performance of this contract shall, as a minimum, meet the experience, educational, or other background requirements set forth below and shall be fully capable of performing in an efficient, reliable, and professional manner. If the offeror does not identify the labor categories listed below by the same specific title, then a cross-reference list should be provided in the offeror's proposal identifying the difference.

(b) The Government will review resumes of contractor personnel proposed to be assigned, and if personnel not currently in the employ of Contractor, a written agreement from potential employee to work will be part of the technical proposal.

(c) If the Ordering Officer questions the qualifications or competence of any persons performing under the contract, the burden of proof to sustain that the persons is qualified as prescribed herein shall be upon the contractor.

(d) The Contractor must have personnel, organization, and administrative control necessary to ensure that the services performed meet all requirements specified in delivery orders. The work history of each Contractor employee shall contain experience directly related to the tasks and functions to be assigned. The Ordering Officer reserves the right to determine if a given work history contains necessary and sufficiently detailed, related experience to reasonably ensure the ability for effective and efficient performance.

1. PROJECT MANAGER – KEY

Specialized Education: Bachelors degree in Business or Engineering Management preferable with Project Management Institute (PMI) Certification.

Experience: Ten (10) years technical and project experience in support of military operations, capabilities-based assessments, and business case analysis support DOD programs. Eight years (8) experience supporting DOD C4ISR programs including requirements analysis, design, and technical documentation development. Four (4) years experience in Joint Capability Integration Development System (JCIDS) analysis and capability document development, Acquisition Category (ACAT) I and III documentation support and development, Satellite Communications (SATCOM) operations and capabilities analysis, as well as organizational planning, business case analysis, and cost modeling. Knowledge of the Concept of Operations for the Navy Tactical Switching Program, including analysis and support defining the network management operations for Navy communications and interfaces to higher GIG NetOps entities. Specific knowledge of Navy Planning, Programming, Budgeting, and Execution (PPBE) process developing and defending Program Objective Memorandum (POM) submittals is required. Further knowledge and supporting Navy and Joint initiatives including Consolidated Afloat Networking Enterprise Services (CANES), Multinational Information Sharing (MNIS), Marine Corps Enterprise IT Services (MCEITS), Navy Tactical Switching, Teleport, and other SATCOM initiatives is required.

Location: Not Applicable

2. ENGINEER/SCIENTIST 5 – KEY

Education: Bachelors Degree in Engineering, Physical Science, Physics, or Computer Science. Masters Degree Preferred in Information Systems

Experience: Fifteen (15) years of technical experience in Technology Analysis and Assessment, Design Definition, Development of Systems Specification, Systems Analysis, Systems Architecture, Systems/Equipment Integration, Test & Evaluation Criteria, and Logistics support of C4ISR requirements. Support of DOD, Joint, and Navy communications, networking, and information systems, to include: functional, operational, and technical capability assessments, Programmatic Support, Systems Engineering, Equipment Support and Life Cycle Support. Recognized as an expert in Military and Commercial Satellite Wideband Communication systems.

Knowledge of TCP/IP based Networks Routers/Switches, Network Firewalls, Storage Area Networks (SAN), Network Attached Storage (NAS) and Large Scale DBMS applications.

Location: Not Applicable

C-719 EXEMPTION FROM ELECTRONIC AND INFORMATION TECHNOLOGY ACCESSIBILITY REQUIREMENTS (JUN 2001)

(a) The Government has determined that the following exemption(s) to the Electronic and Information Technology (EIT) Accessibility Standards (36 C.F.R. § 1194) are applicable to this procurement:

The EIT to be provided under this contract has been designated as a National Security System.

The EIT acquired by the contractor is incidental to this contract.

The EIT to be provided under this contract would require a fundamental alteration in the nature of the product or its components in order to comply with the EIT Accessibility Standards.

The EIT to be provided under this contract will be located in spaces frequented only by service personnel for maintenance, repair, or occasional monitoring of equipment.

Compliance with the EIT Accessibility Standards would impose an undue burden on the agency.

The EIT to be provided under this contract is purchased in accordance with FAR Subpart 13.2 prior to January 1, 2003.

(b) Notwithstanding that an exemption exists, the Contractor may furnish supplies or services provided under this contract that comply with the EIT Accessibility Standards (36 C.F.R. § 1194).

C-720 PERFORMANCE BASED REVIEW AND ACCEPTANCE PROCEDURES

This is a performance based order, as defined in FAR Part 37.6. Contractor performance will be reviewed in accordance with the Quality Assurance Plan as follows:

QUALITY ASSURANCE PLAN

(1) Objective: The purpose of this plan is to provide a quality assurance plan for the services contracted under this Task Order. This plan provides a basis for the Task Order Manager (TOM) to evaluate the quality of the contractor's performance. The oversight provided for in this plan, and the remedy established, will help ensure that service levels are of high quality throughout the task order term.

(2) Performance Standards:

a. The deliverables under this task order will be consistently technically accurate.

b. The services delivered under this task order will be consistently of high quality.

c. The contractor's cost control efforts under this task order will be consistently effective (applicable to cost reimbursement task orders).

d. The contractor will be consistently responsive to Government customers in its performance of this task order.

e. For the purposes of this plan, "consistently" is defined as "generally holding true", "persistently over time", and/or "overall uniformly".

(3) Evaluation Methods: The TOM will conduct performance evaluations based on the standards in paragraph 2 above using the following technique:

a. During the performance period of the task order, the TOM will continually and proactively monitor contractor

CONTRACT NO. N00178-05-D-4596	DELIVERY ORDER NO. V709	AMENDMENT/MODIFICATION NO. 37	PAGE 24 of 53	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

efforts and obtain input from other Government personnel with performance oversight functions to ascertain the level of compliance with the Performance Standards.

b. Every 12 months after the effective date of the task order, the TOM will prepare a Task Order Performance Evaluation (TOPE) documenting the results of the efforts performed under paragraph 3.a. above.

c. The TOM will upload the TOPE to the SeaPort Portal.

(4) Remedy

a. If the annual Performance Evaluation indicates that the contractor has not met one or more of the Performance Standards, the following negative remedy becomes effective: the TOM will submit a negative TOPE on the SeaPort Portal for the applicable Performance Standard.

b. This is a significant negative remedy as the TOPE is a key part of the Performance Monitoring process which:

i. Provides input to the annual Contractor Performance Assessment Report (CPAR); and

ii. Determines the contractor's ability to earn term extensions to its basic SeaPort-e contract in accordance with the Award Term provisions contained therein.

SECTION H SPECIAL CONTRACT REQUIREMENTS

NOTIFICATION CONCERNING DETERMINATION OF SMALL BUSINESS SIZE STATUS

For the purposes of FAR clauses 52.219-6, NOTICE OF TOTAL SMALL BUSINESS SET-ASIDE, 52.219-3, NOTICE OF TOTAL HUBZONE SET-ASIDE, 52.219-18, NOTIFICATION OF COMPETITION LIMITED TO ELIGIBLE 8(A) CONCERNS, and 52.219-27 NOTICE OF TOTAL SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS SET-ASIDE, the determination of whether a small business concern is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the size standards in this solicitation, and further, meets the definition of a HUBZone small business concern, a small business concern certified by the SBA for participation in the SBAs 8(a) program, or a service disabled veteran-owned small business concern, as applicable, shall be based on the status of said concern at the time of award of the SeaPort-e MACs and as further determined in accordance with Special Contract Requirement H-19.

52.219-6 NOTICE OF TOTAL SMALL BUSINESS SET-ASIDE (JUNE 2003)

- (a) Definition. "Small business concern" as used in this clause, means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the size standards in this solicitation.
- (b) General. (1) Offers are solicited only from small business concerns. Offers received from concerns that are not small business concerns shall be considered nonresponsive and will be rejected. (2) Any award resulting from this solicitation will be made to a small business concern.
- (c) Agreement. A small business concern submitting an offer in its own name shall furnish, in performing the contract, only end items manufactured or produced by small business concerns in the United States or its outlying areas. If this procurement is processed under simplified acquisition procedures and the total amount of this contract does not exceed \$25,000, a small business concern may furnish the product of any domestic firm. This paragraph does not apply to construction or service contracts.

5252.232-9206 SEGREGATION OF COSTS (DEC 2003)

- (a) The Contractor agrees to segregate costs incurred under this task order at the lowest level of performance, either task or subtask, rather than on a total task order basis, and to submit invoices reflecting costs incurred at that level. Invoices shall contain summaries of work charged during the period covered, as well as overall cumulative summaries by labor category for all work invoiced to date (if applicable), by line item, task or subtask.
- (b) Where multiple lines of accounting are present, the ACRN preceding the accounting citation will be found in Section B and/or Section G. Payment of Contractor invoices shall be accomplished only by charging the ACRN that corresponds to the work invoiced.
- (c) Except when payment requests are submitted electronically as specified in the clause at DFARS 252.232-7003, Electronic Submission of Payment Requests, one copy of each invoice or voucher will be provided, at the time of submission to DCAA, to the Task Order Manager.

H-350 REIMBURSEMENT OF TRAVEL COSTS (NOV 2005)

(a) Contractor Request and Government Approval of Travel

Any travel under this contract must be specifically requested in writing, by the contractor prior to incurring any travel costs. If this contract is a definite or indefinite delivery contract, then the written Government authorization will be by task/delivery orders issued by the Ordering Officer or by a modification to an issued task/delivery order. If this contract is not a definite or indefinite delivery contract, then the written Government authorization will be by written notice of approval from the Contracting Officer's Representative (COR). The request shall include as a

minimum, the following:

- (1) Contract number
- (2) Date, time, and place of proposed travel
- (3) Purpose of travel and how it relates to the contract
- (4) Contractor's estimated cost of travel
- (5) Name(s) of individual(s) traveling and;
- (6) A breakdown of estimated travel and per diem charges.

(b) General

(1) The costs for travel, subsistence, and lodging shall be reimbursed to the contractor only to the extent that it is necessary and authorized for performance of the work under this contract. The costs for travel, subsistence, and lodging shall be reimbursed to the contractor in accordance with the Federal Acquisition Regulation (FAR) 31.205-46, which is incorporated by reference into this contract. As specified in FAR 31.205-46(a) (2), reimbursement for the costs incurred for lodging, meals and incidental expenses (as defined in the travel regulations cited subparagraphs (b)(1)(i) through (b)(1)(iii) below) shall be considered to be reasonable and allowable only to the extent that they do not exceed on a daily basis the maximum per diem rates in effect at the time of travel as set forth in the following:

(i) Federal Travel Regulation prescribed by the General Services Administration for travel in the contiguous 48 United States;

(ii) Joint Travel Regulation, Volume 2, DoD Civilian Personnel, Appendix A, prescribed by the Department of Defense for travel in Alaska, Hawaii, The Commonwealth of Puerto Rico, and the territories and possessions of the United States; or

(iii) Standardized Regulations, (Government Civilians, Foreign Areas), Section 925, "Maximum Travel Per Diem Allowances in Foreign Areas" prescribed by the Department of State, for travel in areas not covered in the travel regulations cited in subparagraphs (b)(1)(i) and (b)(1)(ii) above.

(2) Personnel in travel status from and to the contractor's place of business and designated work site or vice versa, shall be considered to be performing work under the contract, and contractor shall bill such travel time at the straight (regular) time rate; however, such billing shall not exceed eight hours per person for any one person while in travel status during one calendar day.

(c) Per Diem

(1) The contractor shall not be paid per diem for contractor personnel who reside in the metropolitan area in which the tasks are being performed. Per diem shall not be paid on services performed at contractor's home facility and at any facility required by the contract, or at any location within a radius of 50 miles from the contractor's home facility and any facility required by this contract.

(2) Costs for subsistence and lodging shall be paid to the contractor only to the extent that overnight stay is necessary and authorized in writing by the Government for performance of the work under this contract per paragraph (a). When authorized, per diem shall be paid by the contractor to its employees at a rate not to exceed the rate specified in the travel regulations cited in FAR 31.205-46(a)(2) and authorized in writing by the Government. The authorized per diem rate shall be the same as the prevailing locality per diem rate.

(3) Reimbursement to the contractor for per diem shall be limited to payments to employees not to exceed the authorized per diem and as authorized in writing by the Government per paragraph (a). Fractional parts of a day shall be payable on a prorated basis for purposes of billing for per diem charges attributed to subsistence on days of travel. The departure day from the Permanent Duty Station (PDS) and return day to the PDS shall be 75% of the applicable per diem rate. The contractor shall retain supporting documentation for per diem paid to employees as evidence of actual payments, as required by the FAR 52.216-7 "Allowable Cost and Payment" clause of the contract.

----------------------------------	----------------------------	----------------------------------	------------------	-------

(d) Transportation

(1) The contractor shall be paid on the basis of actual amounts paid to the extent that such transportation is necessary for the performance of work under the contract and is authorized in writing by the Government per paragraph (a).

(2) The contractor agrees, in the performance of necessary travel, to use the lowest cost mode commensurate with the requirements of the mission and in accordance with good traffic management principles. When it is necessary to use air or rail travel, the contractor agrees to use coach, tourist class or similar accommodations to the extent consistent with the successful and economical accomplishment of the mission for which the travel is being performed. Documentation must be provided to substantiate non-availability of coach or tourist if business or first class is proposed to accomplish travel requirements.

(3) When transportation by privately owned conveyance (POC) is authorized, the contractor shall be paid on a mileage basis not to exceed the applicable Government transportation rate specified in the travel regulations cited in FAR 31.205-46(a)(2) and is authorized in writing by the Government per paragraph (a).

(4) When transportation by privately owned (motor) vehicle (POV) is authorized, required travel of contractor personnel, that is not commuting travel, may be paid to the extent that it exceeds the normal commuting mileage of such employee. When an employee's POV is used for travel between an employee's residence or the Permanent Duty Station and one or more alternate work sites within the local area, the employee shall be paid mileage for the distance that exceeds the employee's commuting distance.

(5) When transportation by a rental automobile, other special conveyance or public conveyance is authorized, the contractor shall be paid the rental and/or hiring charge and operating expenses incurred on official business (if not included in the rental or hiring charge). When the operating expenses are included in the rental or hiring charge, there should be a record of those expenses available to submit with the receipt. Examples of such operating expenses include: hiring charge (bus, streetcar or subway fares), gasoline and oil, parking, and tunnel tolls.

(6) Definitions:

(i) "Permanent Duty Station" (PDS) is the location of the employee's permanent work assignment (i.e., the building or other place where the employee regularly reports for work.

(ii) "Privately Owned Conveyance" (POC) is any transportation mode used for the movement of persons from place to place, other than a Government conveyance or common carrier, including a conveyance loaned for a charge to, or rented at personal expense by, an employee for transportation while on travel when such rental conveyance has not been authorized/approved as a Special Conveyance.

(iii) "Privately Owned (Motor) Vehicle (POV)" is any motor vehicle (including an automobile, light truck, van or pickup truck) owned by, or on a long-term lease (12 or more months) to, an employee or that employee's dependent for the primary purpose of providing personal transportation, that:

(a) is self-propelled and licensed to travel on the public highways;

(b) is designed to carry passengers or goods; and

(c) has four or more wheels or is a motorcycle or moped.

(iv) "Special Conveyance" is commercially rented or hired vehicles other than a POC and other than those owned or under contract to an agency.

(v) "Public Conveyance" is local public transportation (e.g., bus, streetcar, subway, etc) or taxicab.

(iv) "Residence" is the fixed or permanent domicile of a person that can be reasonably justified as a bona fide residence.

EXAMPLE 1: Employee's one way commuting distance to regular place of work is 7 miles. Employee drives from residence to an alternate work site, a distance of 18 miles. Upon completion of work, employee returns to residence, a distance of 18 miles.

CONTRACT NO. N00178-05-D-4596	DELIVERY ORDER NO. V709	AMENDMENT/MODIFICATION NO. 37	PAGE 48 of 53	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (14 miles). The employee is reimbursed for 22 miles ($18 + 18 - 14 = 22$).

EXAMPLE 2: Employee's one way commuting distance to regular place of work is 15 miles. Employee drives from residence to an alternate work site, a distance of 5 miles. Upon completion of work, employee returns to residence, a distance of 5 miles.

In this case, the employee is not entitled to be reimbursed for the travel performed (10 miles), since the distance traveled is less than the commuting distance (30 miles) to the regular place of work.

EXAMPLE 3: Employee's one way commuting distance to regular place of work is 15 miles. Employee drives to regular place of work. Employee is required to travel to an alternate work site, a distance of 30 miles. Upon completion of work, employee returns to residence, a distance of 15 miles.

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (30 miles). The employee is reimbursed for 30 miles ($15 + 30 + 15 - 30 = 30$).

EXAMPLE 4: Employee's one way commuting distance to regular place of work is 12 miles. In the morning the employee drives to an alternate work site (45 miles). In the afternoon the employee returns to the regular place of work (67 miles). After completion of work, employee returns to residence, a distance of 12 miles.

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (24 miles). The employee is reimbursed for 100 miles ($45 + 67 + 12 - 24 = 100$).

EXAMPLE 5: Employee's one way commuting distance to regular place of work is 35 miles. Employee drives to the regular place of work (35 miles). Later, the employee drives to alternate work site #1 (50 miles) and then to alternate work site #2 (25 miles). Employee then drives to residence (10 miles).

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal commuting distance (70 miles). The employee is reimbursed for 50 miles ($35 + 50 + 25 + 10 - 70 = 50$).

EXAMPLE 6: Employee's one way commuting distance to regular place of work is 20 miles. Employee drives to the regular place of work (20 miles). Later, the employee drives to alternate work site #1 (10 miles) and then to alternate work site #2 (5 miles). Employee then drives to residence (2 miles).

In this case, the employee is not entitled to be reimbursed for the travel performed (37 miles), since the distance traveled is less than the commuting distance (40 miles) to the regular place of work.

H-355 CONTRACTOR IDENTIFICATION (DEC 1999)

- (a) Contractor employees must be clearly identifiable while on Government property by wearing appropriate badges.
- (b) Contractor employees are required to clearly identify themselves and the company they work for whenever making contact with Government personnel by telephone or other electronic means.

H-359 LIMITED RELEASE OF CONTRACTOR CONFIDENTIAL BUSINESS INFORMATION (CBI) (NOV 2003)

- (a) Definition.

"Confidential business information," as used in this clause, is defined as all forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs, or codes, whether tangible or intangible, and whether or how stored, compiled, or memorialized physically, electronically, graphically, photographically, or in writing if -- (1) the owner thereof has taken reasonable measures to keep such information secret, and (2) the information derives independent economic value, actual or potential from not being generally known to, and not being readily ascertainable through proper means by, the public. Confidential business information may include technical data as that term is defined in DFARS §§ 252.227-7013(a)(14), 252.227-7015(a)(4), and 252.227-7018(a)(19). It may also include computer software as that term is defined in DFARS §§ 252.227-7014(a)(4) and 252.227-7018(a)(4).

----------------------------------	----------------------------	----------------------------------	------------------	-------

(b) The Space and Naval Warfare Systems Command (SPAWAR) may release to individuals employed by SPAWAR support contractors and their subcontractors confidential business information submitted by the contractor or its subcontractors pursuant to the provisions of this contract. Business information that would ordinarily be entitled to confidential treatment may be included in the information released to these individuals. Accordingly, by submission of a proposal or execution of this contract, the offeror or contractor and its subcontractors consent to a limited release of its confidential business information.

(c) Circumstances where SPAWAR may release the contractor's or subcontractors' confidential business information include the following:

(1) To other SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in handling and processing information and documents in the administration of SPAWAR contracts, such as file room management and contract closeout.

(2) To SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in accounting support services, including access to cost-reimbursement vouchers.

(3) To SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in crafting performance work statements, assisting with the evaluation of task order cost/technical proposals and assembling performance metrics information.

(d) SPAWAR recognizes its obligation to protect the contractor and its subcontractors from competitive harm that could result from the release of such information. SPAWAR will permit the limited release of confidential business information under paragraphs (c)(1), (c)(2) and (c)(3) only under the following conditions:

(1) SPAWAR determines that access is required by other SPAWAR contractors and their subcontractors to perform the tasks described in paragraphs (c)(1), (c)(2) and (c)(3),

(2) Access to confidential business information is restricted to individuals with a bona fide need to possess,

(3) Contractors, their subcontractors, and their employees who are granted access to confidential business information have signed an appropriate non-disclosure agreement requiring them to provide the same level of protection to confidential business information that would be provided by SPAWAR employees,

(4) Contractors and their subcontractors having access to confidential business information have agreed under their contract or a separate corporate non-disclosure agreement to provide the same level of protection to confidential business information that would be provided by SPAWAR employees, and

(5) SPAWAR contractors and their subcontractors performing the tasks described in paragraphs (c)(1), (c)(2) or (c)(3) have agreed under their contract or a separate non-disclosure agreement to not use confidential business information for any purpose other than performing the tasks described in paragraphs (c)(1), (c)(2) and (c)(3).

(e) SPAWAR's responsibilities under the Freedom of Information Act are not affected by this clause.

(f) If SPAWAR satisfies the conditions listed in paragraph (d), the contractor and its subcontractors agree to indemnify and hold harmless the Government, its agents, and employees from every claim or liability, including attorneys fees, court costs, and expenses, arising out of, or in any way related to, the misuse or unauthorized modification, reproduction, release, display, or disclosure of confidential business information provided by the contractor to the Government.

(g) The contractor agrees to include, and require inclusion of, this clause in all subcontracts at any tier that requires the furnishing of confidential business information.

ORGANIZATIONAL CONFLICT OF INTEREST (NAVSEA) (JUL 2000) (RESTATED FROM BASIC CONTRACT)

(a) "Organizational Conflict of Interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the Government, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage. "Person" as used herein includes Corporations, Partnerships, Joint Ventures, and other business

enterprises.

(b) The Contractor warrants that to the best of its knowledge and belief, and except as otherwise set forth in the contract, the Contractor does not have any organizational conflict of interest(s) as defined in paragraph (a).

(c) It is recognized that the effort to be performed by the Contractor under this contract may create a potential organizational conflict of interest on the instant contract or on a future acquisition. In order to avoid this potential conflict of interest, and at the same time to avoid prejudicing the best interest of the Government, the right of the Contractor to participate in future procurement of equipment and/or services that are the subject of any work under this contract shall be limited as described below in accordance with the requirements of FAR 9.5.

(d) (1) The Contractor agrees that it shall not release, disclose, or use in any way that would permit or result in disclosure to any party outside the Government any information provided to the Contractor by the Government during or as a result of performance of this contract. Such information includes, but is not limited to, information submitted to the Government on a confidential basis by other persons. Further, the prohibition against release of Government provided information extends to cover such information whether or not in its original form, e.g., where the information has been included in Contractor generated work or where it is discernible from materials incorporating or based upon such information. This prohibition shall not expire after a given period of time.

(2) The Contractor agrees that it shall not release, disclose, or use in any way that would permit or result in disclosure to any party outside the Government any information generated or derived during or as a result of performance of this contract. This prohibition shall expire after a period of three years after completion of performance of this contract.

(3) The prohibitions contained in subparagraphs (d)(1) and (d)(2) shall apply with equal force to any affiliate of the Contractor, any subcontractor, consultant, or employee of the Contractor, any joint venture involving the Contractor, any entity into or with which it may merge or affiliate, or any successor or assign of the Contractor. The terms of paragraph (f) of this Special Contract Requirement relating to notification shall apply to any release of information in contravention of this paragraph (d).

(e) The Contractor further agrees that, during the performance of this contract and for a period of three years after completion of performance of this contract, the Contractor, any affiliate of the Contractor, any subcontractor, consultant, or employee of the Contractor, any joint venture involving the Contractor, any entity into or with which it may subsequently merge or affiliate, or any other successor or assign of the Contractor, shall not furnish to the United States Government, either as a prime contractor or as a subcontractor, or as a consultant to a prime contractor or subcontractor, any system, component or services which is the subject of the work to be performed under this contract. This exclusion does not apply to any recompetition for those systems, components or services furnished pursuant to this contract. As provided in FAR 9.505-2, if the Government procures the system, component, or services on the basis of work statements growing out of the effort performed under this contract, from a source other than the contractor, subcontractor, affiliate, or assign of either, during the course of performance of this contract or before the three year period following completion of this contract has lapsed, the Contractor may, with the authorization of the SeaPort/Task Order Contracting Officer, participate in a subsequent procurement for the same system, component, or service. In other words, the Contractor may be authorized to compete for procurement(s) for systems, components or services subsequent to an intervening procurement.

(f) The Contractor agrees that, if after award, it discovers an actual or potential organizational conflict of interest, it shall make immediate and full disclosure in writing to the SeaPort/Task Order Contracting Officer. The notification shall include a description of the actual or potential organizational conflict of interest, a description of the action which the Contractor has taken or proposes to take to avoid, mitigate, or neutralize the conflict, and any other relevant information that would assist the SeaPort/Task Order Contracting Officer in making a determination on this matter. Notwithstanding this notification, the Government may terminate the contract/Task Orders for the convenience of the Government if determined to be in the best interest of the Government.

(g) Notwithstanding paragraph (f) above, if the Contractor was aware, or should have been aware, of an organizational conflict of interest prior to the award of this contract or becomes, or should become, aware of an organizational conflict of interest after award of this contract and does not make an immediate and full disclosure in writing to the SeaPort/Task Order Contracting Officer, the Government may terminate this contract/task orders for default.

----------------------------------	----------------------------	----------------------------------	------------------	-------

(h) If the Contractor takes any action prohibited by this requirement or fails to take action required by this requirement, the Government may terminate this contract for default.

(i) The SeaPort/Task Order's Contracting Officer's decision as to the existence or nonexistence of an actual or potential organizational conflict of interest shall be final.

(j) Nothing in this requirement is intended to prohibit or preclude the Contractor from marketing or selling to the United States Government its product lines in existence on the effective date of this contract; nor, shall this requirement preclude the Contractor from participating in any research and development or delivering any design development model or prototype of any such equipment. Additionally, sale of catalog or standard commercial items are exempt from this requirement.

(k) The Contractor shall promptly notify the Contracting Officer, in writing, if it has been tasked to evaluate or advise the Government concerning its own products or activities or those of a competitor in order to ensure proper safeguards exist to guarantee objectivity and to protect the Government's interest.

(l) The Contractor shall include this requirement in subcontracts of any tier which involve access to information or situations/conditions covered by the preceding paragraphs, substituting "subcontractor" for "contractor" where appropriate.

(m) The rights and remedies described herein shall not be exclusive and are in addition to other rights and remedies provided by law or elsewhere included in the basic contract or this task order.

(n) Compliance with this requirement is a material requirement of the basic contract and this task order.

TECHNICAL INSTRUCTIONS

(a) Performance of work hereunder may be subject to written technical instructions signed by the Task Order Manager (TOM) specified in Section G of this task order. As used herein, technical instructions are defined to include the following:

(1) Directions to the Contractor which suggest pursuit of certain lines of inquiry, shift work emphasis, fill in details and otherwise serve to accomplish the contractual statement of work.

(2) Guidelines to the Contractor which assist in the interpretation of drawings, specifications or technical portions of work descriptions.

(b) Technical instructions must be within the general scope of work stated in the task order. Technical instruction may not be used to: (1) assign additional work under the task order; (2) direct a change as defined in the "CHANGES" clause in this task order; (3) increase or decrease the task order price or estimated task order amount (including fee), as applicable, the level of effort, or the time required for contract performance; or (4) change any of the terms, conditions or specifications of the task order.

(c) If, in the opinion of the Contractor, any technical instruction calls for effort outside the scope of the task order or is inconsistent with this requirement, the Contractor shall notify the Contracting Officer in writing within ten (10) working days after the receipt of any such instruction. The Contractor shall not proceed with the work affected by the technical instruction unless and until the Contractor is notified by the Contracting Officer that the technical instruction is within the scope of the task order.

FAR CLAUSES INCORPORATED BY FULL TEXT:

52.217-8 OPTION TO EXTEND SERVICES (NOV 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within within thirty (30) days prior to the expiration of the contract.

52.217-9 OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

(a) The Government may extend the term of this task order by written notice to the Contractor on or before the expiration of the task order; provided, that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the task order expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended task order shall be considered to include this option clause.

(c) The total duration of this task order, including the exercise of any options under this clause, shall not exceed five years.

52.222-42 STATEMENT OF EQUIVALENT RATES FOR FEDERAL HIRES (MAY 1989)

In compliance with the Service Contract Act of 1965, as amended, and the regulations of the Secretary of Labor (29 CFR Part 4), this clause identifies the classes of service employees expected to be employed under the contract and states the wages and fringe benefits payable to each if they were employed by the contracting agency subject to the provisions of 5 U.S.C. 5341 or 5332.

THIS STATEMENT IS FOR INFORMATION ONLY: IT IS NOT A WAGE DETERMINATION
